

SCRAPS OF WISDOM

Waterloo County Quilters' Guild

President's Message Hello Quilters!

October is here! That means Thanksgiving is just days away, Hallowe'en is sneaking up on us and Christmas is just around the corner! It also is the month of our first in-person opportunity since March 2020 (or was it February 2020?). Some people really have missed in-person events, other people have thrived during this time of staying at home yet meeting virtually. If we ever needed proof that a guild is not a one size fits all type of group, we have it. Hopefully, the Waterloo County Quilters' Guild has something to offer everyone. When you are finished reading the newsletter, be sure to explore the other parts of the guild website, it is just full of all kinds of fun information. You will be getting the updated membership list soon—look it over, is there someone in your neighbourhood you don't recognize? Are they a new member? (New members will be highlighted.) Reach out to them. Remember when you were a new member, was it slightly intimidating, or hard to get to know people? You can make someone's transition into the guild a great one if you choose to do so.

Have a great Quilting Month, Gail Berry-Graham, President

The Waterloo County Quilters' Guild provides an opportunity for quilters to learn in a supportive, sharing, social environment. We encourage you to get the most out of your membership by becoming more deeply involved in the guild.

My Quilting Journey

with

Bobbie Gentili

The Program Committee is delighted to have Bobbie Gentili join us for our October meeting to present her trunk show, *Quilt Journey*.

It took a few decades, but Bobbie finally found the right outlet for her life-long creativity and love of mathematics when she was introduced to modern quilting. She now spends every waking moment designing quilt patterns, longarm quilting, curating beautiful fabrics, and teaching quilters how to level up their skills, so they can rock any quilting challenge. Bobbie's patterns feature bold, geometric designs, playing with curves and long strips to give a sense of movement. She finds inspiration in science, nature, and geeky culture.

Bobbie lives in Toronto, Ontario, where her husband, 2 young children, and cats enjoy any scraps of her attention that can be stolen from quilting.

Sign up for The Geeky Bobbin's workshop: *Orbital Intro to Curved Piecing* that takes place on Saturday, November 5, 2022. See page 6 for more details and sign up today!

Bobbie shares her quilting adventures on Instagram at @geekybobbins and on her website:

2022 2023 Guild Program

The Program Committee is excited to share our upcoming guild year program. The survey results from the more than 70% of our membership who responded was used as a guideline for discussion in determining our monthly meeting speakers and workshops. We are confident there is something for everyone, so stay tuned for details in upcoming newsletters and on our website. Enjoy!

Location: Online via Zoom

This 6-hour Zoom workshop is a technique focused class, suitable for all skill levels, beginner to advanced. Participants will learn how to make the Log Cabin and Houses quilt, shown in the photo, all using 2½" strips from their stash or jelly rolls.

Participants will learn strategies to :

- Cut, store and sort fabrics, including tips on choosing scrappy fabrics that work well together
- Sew an accurate quarter inch seam
- Use chain piecing and see how that can speed up the sewing process
- Use leaders and enders effectively and efficiently
- Gain the confidence to cut and store their stash so it is ready to make lovely quilts
- Make the Log Cabin and House blocks
- Prepare, cut and sew raw edged appliqué shapes

By applying the above skills and strategies, participants will find success in using their scraps to quickly and easily create lovely quilts that can be used as gifts, charity quilts or, perhaps, make smaller projects like table runners. This will be a fun, informative class.

She is skilled and enthusiastic about everything related to quilting and she especially enjoys helping and supporting others in their quilting journey. Teddy Bears Wrapped in Quilts

It's time to start thinking about, or to continue working on, your 24" square quilts for the WCQG Third Annual Donation to the Knights of Columbus Toy Drive. I have heard from many of you that you already have some quilts to donate. Thank you for your generosity to the children who will receive a stuffie, lovingly wrapped in a handmade quilt. I will gratefully accept donations at Gatherings - the first Wednesday of the month, from October to December.

Marg Sandiford, one of the donated fabric curators, has a supply of stuffies needing a quilt, so please bring your quilts so we can match quilts and stuffies, and send them of to the K of C. Your donation of a stuffie in a quilt is also welcome.

Thank you,

Everyone is welcome. The Zoom link remains the same each week, and can always be easily found in the President's Friday Update email. Hope to see you there. (There will be no Open Sewing on Thanksgiving Day, October 10.) Once each month, a Saturday Open Sewing time is held from 10:00am to 12:00noon. In October, the Saturday Open Sewing day will be Saturday, October 15. Please consider joining us. The Zoom link for this one will be provided in the President's Update on October 14th.

Curated Donated Fabric Available at the Gathering, October 5, 2022

Your fabric curators have been busy putting together kits and fat quarter bundles to be used in making outreach quilt tops, teddy bear quilts, hospice seasonal table runners, and Smile Quilts. They will be available on a 'first come, first served' basis at the October 5 Gathering. There will be a couple of dozen teddy bears available, in case you're needing inspiration to make a teddy bear quilt. There will also be an assortment of sewing notions: lace, buttons and snaps, books, magazines, and patterns (both for quilts and garments) for you to take.

These quilts have been made with fabric from our curated "stash" that is housed in Barbara Pye's basement. They will go to the new House of Friendship shelter due to open later this fall.

If you know of a guild member who has become ill, please let our secretary, **Doris Martin**, know so she can send a get well card from all of us.

Sewing Together But Apart October

Our next STBA day will take place on Wednesday, October 12, when we once again gather on Zoom for a fun day of sewing activities, socializing, sharing, and engaging in fun conversations. Our focus for our October STBA day will be scraps and more scraps. If you are looking for new ideas on how to store, sort and use your fabric scraps, you will want to attend.

In the afternoon, we will welcome Elaine Theriault, from Toronto, Ontario. She will provide a new and exciting look into the "old art" of scrap quilts. In addition to a trunk show featuring a variety of different styles of scrap quilts, Elaine will provide lots of ideas for storing fabric. Elaine is a teacher, writer, pattern designer, and long arm quilter who describes herself as obsessed with quilting. Many of Elaine's quilt designs are regularly featured in current quilting magazines. Be sure to register for this fun, interesting STBA day where we will learn from each other and from a talented, sought-after Canadian speaker. To register, go to the online store on our guilds' website.

To register for a STBA day, please go to our on-line store on the website and remember to email Inge Ford, our Sewing Together co-ordinator. Please visit our on-line store on our website to learn more about our upcoming STBA days for November and January. (There will be no STBA day in December.)

In **November**, Cheryl Brickey, from South Carolina, will share her lecture, which is based on her book, "Just One Charm Pack Quilts". Cheryl will provide a trunk show featuring quilts all made from 5 inch squares.

In **January**, Karen Brown, of Just Get It Done Quilts in Toronto, will share her lecture—"Shop From Your Stash: the Joy of Symmetry". Karen is well known for her YouTube channel videos.

In **February**, Emily Baily, a blogger, quilter, teacher, and author will share her presentation called "Bits of Joy". Emily's most recent book is called "Crumb Quilts—Scrap Quilting the Zero Waste Way". In her trunk show, she will inspire us to use our own piles of scraps to explore possibilities, discover hidden treasures, and create beautiful quilts.

In **March**, Julie Plotniko, from Vancouver Island, will join us to share her excitement and knowledge about free motion quilting. She will inspire and motivate us to apply her strategies. Julie presents this lecture across Canada, and this past year, at Quilt Canada.

For information about the April, May and June STBA days, please watch the Program Video and/or go to the online store on our website.

Hope to see you soon at one of our STBA days. This is another great way to connect with and build relationships with, fellow quilters.
