After registering for this day, please send an email to fordinge@gmail.com as requested on the home page of the website. Now, about the STBA day... Join us for all or part of the day. We will gather at 9:00 a.m., enjoy time together as a large group, move into small groups and provide time for socializing and individual sewing.

Liz Thompson will join us from Surrey, B.C. She will share her lecture -

LET'S KICK OUR QUILT BINDING UP A FEW NOTCHES

Would you believe that there are *many* different ways to finish the edges of your quilts? Are you bored with binding all your quilts the same way? Liz will show that there are at least 15 options you could choose. Get inspired to try new techniques! Liz will explain all in this lecture presentation and provide a PDF set of notes as well as answer questions about bindings. Liz recently retired

from a long, successful career in the sewing and quilting industry, and now enjoys sharing her passion with quilters across the country.
