

Instruction Sheet for
Fridge Magnets for WCQG 2023 Quilt Show

Help promote our WCQG Quilt Show 2023. Make Fridge Magnets to give to friends, family and other quilters. It is our plan to distribute them to local stores, vendors who will be at our Guild's market and other quilt shows to help advertise our show which will be held October 13 & 14, 2023. We will need thousands of these magnets. They are easy and fun to make. This is one way that each of us can help advertise our show. **Completed magnets can be dropped off at each *Gatherings* Day from November 2022 to June of 2023.**

Materials:

scraps or stash fabric that is 6" square
labels (from Deby at the monthly Gathering Day or down loaded from the website)
adhesive magnetic tape (try the dollar store or Michael's with your 30% off coupon) or get some at *Gatherings* – an 11-inch strip will do 22 magnets

Instructions Labels:

Pick up a sheet of labels (there are 22 on a sheet) from Deby at *Gatherings* or down load a sheet from the guild's website on the *Quilt Exhibit Page*. Using a rotary cutter that is for paper only, cut the label sheet in half lengthwise and then cut the labels to 7/8 of an inch wide.

Squares:

Cut 6 inch squares
Fold one side into the centre of the square.
Fold the opposite side into the centre of the square
Fold these together to make one long rectangle that is 6 inches by 1½ inches
Fold the top down to the centre.
Fold the bottom up to the centre
Fold top and bottom together to make a square about 1½ inches.
Wrap the fridge magnet label around the square making sure you centre "WCQG Quilt Show 2023" and attach with scotch tape.

Magnets:

Cut the magnetic strips to about a 1/2" square. Stick the flat adhesive magnet piece firmly to the back of the label over the scotch tape. If you have non adhesive magnetic tape, a dab of glue from your glue gun will do the trick. Make sure the magnet lays flat.

Please bring your completed magnets to Deby at the *Gatherings* days as soon as you have them made. The committee has a list of locations where the magnets will be taken to help advertise the show. If you are going to quilt shows or to any quilt stores in Ontario and could deliver magnets, please let Deby know and she will get you some magnets and make note of the location you are taking them to. If you wish to make your own magnets to take wherever you go, please let Deby know where you took them so we do not overload a single location.
