Mostly Modern Virtual Trunk Show

Our theme for the day will be traditional and modern quilting. Do you have a preference?

In the afternoon, Linda Schmidt, from Calgary, Alberta will join us. Linda will present her lecture called ***“Mostly Modern Virtual Trunk Show”***.

Linda has been quilting for more than 20 years. At first, like many quilters she was a traditionalist. When the Modern Quilting movement began, she embraced it fully and has been producing spectacular quilts ever since! Her quilts range from fat quarter size to bed size, embrace every colour of the rainbow and a range of designs from curvalicious to very strictly linear. They showcase her fabulous quilting style, which is accomplished by using both long-arm and domestic machine techniques. While Linda leans towards the modern esthetic, she occasionally returns to her traditional roots. In her lecture she will share about 80 slides showcasing the variety and skill of her quilts and quilting. Participants are sure to be inspired by her lecture.

Linda has coordinated the National Juried Show for Quilt Canada and has been a member of the Board of Directors of the CQA/ACC.
