## Co-Presidents' Message : Celebrating Second Chances

Life is full of opportunities for second chances. When we take the risk, the outcome is often more rewarding than we could have imagined. Even though relationships with others require a second party or more to agree to another chance, it is worth the risk when the connection is even better than before.

Whether or when we tackle those UFOs (we know we all have some) is up to us alone. Many of us would possess a greater abundance of these if we didn't have incentives like our OWLS program (we have a draw for completion of these projects at our June meeting) encouraging us to give them another chance.

We also can participate in the library challenge introduced this year. We can register projects from any of the books chosen from the extensive, diverse selection offered free of charge with our membership. Perhaps we will remember a possibility from a book we had previously enjoyed and fortunately we have a second (or third) chance to obtain it again. We are grateful for the support, encouragement, and inspiration we share between all of us and for the many times we experience the rewards of second chances throughout our lives.

## HELP WANTED!

- We are still looking for a someone or two to do **program co-ordinating**. We will help and, as a team, we can get the guests YOU want. Or we will all be sitting there looking at each other with no guest speakers at all. Looking forward to talking with you.
- We are also looking for two fun loving ladies to work with us as **vice presidents**. As you have seen, it doesn't take a lot of talent or experience. If we can do it, so can YOU! Grab your friend and give us a call.
- We need someone to **organize our June social for after our Annual General Meeting**. This will involve setting up tables with tablecloths and decorations and clean up after the meeting. All members are encouraged to bring a small portion of your favorite finger food: either savory or sweet.
- **Bus tour organizer** for CQA in Mississauga, June 15 -18, 2016

If you can help out in any of these areas, please contact  
**Eileen Fennell or Kathy Langill**

**Meeting Cancellations due to severe weather**—listen to KOOLFM 105.3—if the universities are closed our meetings will be cancelled. We will post on our facebook page as well.

## February Guild Focus

Join us in February for three mini-workshops, lecture-style. Member Betteanne Nichols will give a short talk on machine embroidery – where to begin and how to achieve success, and Marg Notar will share an interesting thread work technique that can be incorporated into pictorial quilts or used in traditional quilts as embellishment. We will turn the latter half of our program over to Vernon Knorr from Creekbank Sewing Machine Shop near Conn, who will do a presentation on machine care, maintenance, and troubleshooting. There will also be time for a question and answer period with Vernon, who is a certified service technician. Creekbank Sewing will be our vendor this month as well.

## Mannheim Quilting/Sewing Circle

February 10th, 9am-4pm.

February is Stone Soup month! Bring a cup of veggies or protein to add to our soup. It will simmer all morning and be ready for lunch! Fresh bread/rolls will also be served. During lunch Tamara and Megan will share the story behind the soup.

New faces are always welcome. Bring a project of your choice to work on; tea and coffee will be available. Directions can be found in your guild handbook or on the WCQG website. Your voluntary donation of \$4 helps cover the cost of the facility. Please note: In the event of inclement weather, the Mannheim Quilting/Sewing Circle will be cancelled if the schools are closed in the morning. Please contact Megan Stauch or Tamara Gilhuly with any questions!

If you know of a guild member who has become ill, please let our secretary, Silvia Cadman, know so she can send a get well card from all of us.

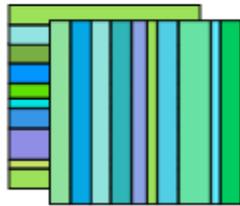

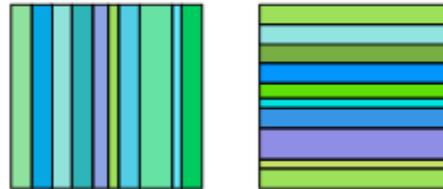

# Using Up Scraps #2 with Vikki MacDonald

## Scrap Quilt #1

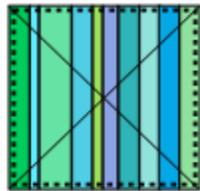

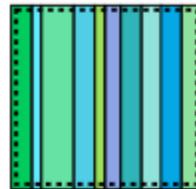

*If you have a lot of strips hanging around this is the perfect quilt for you!*

1. Cut strips of any width into 15½" lengths (or create 15½" ~ long strips)
2. Sew strips into 15½" blocks then square them to 15".

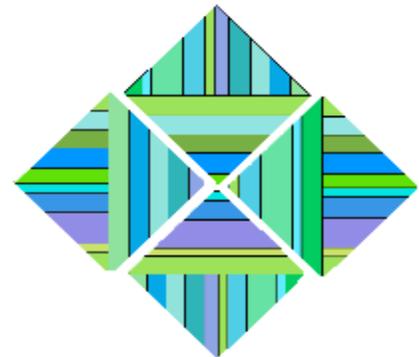

3. Place two of these squares with right sides together with the direction of the strips horizontal in one square and vertical in the other.

4. Sew around all four edges with a ¼" seam allowance.

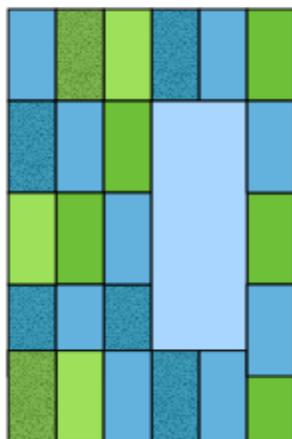

5. Cut the completely sewn squares diagonally in half in both directions, creating four squares.

6. Place your four new squares in a pleasing arrangement and you have a quilt. Voila!

## Scrap Quilt #2

1. Collect scraps in a coordinating colour scheme.
2. Cut your scraps into 3" x 5½" rectangles (to finish at 2½" x 5")
3. Create rows of these rectangles
4. Insert 5½" x 15½" rectangles of one colour in a pleasing arrangement.
5. Decorate that block with crests, buttons, decals, etc. if you wish.

## Strategies

A collection of all the “Taking the Mystery Out Of...” block strategies presented at guild since 2011, have been kindly compiled for me by Kathy Bissett. They look fantastic now that they are all computerized and put into colour. At the February meeting, sample copies will be available for perusing. A price to cover costs will be announced and, if you wish to purchase a copy of the “booklet”, you may pre-order then.

Yours in quilting,

Vikki MacDonald

PS Did you know how to tell if someone has had too much coffee? It is when they can thread their sewing machine while it's operating!

## CQA/ACC Collecting "Inches" from Quilt Guilds Across Canada

Once again, CQA/ACC is collecting "inches" from guilds. They are travelling from Lethbridge, AB (QC2015) to Toronto, ON (Mississauga) home of Quilt Canada 2016. They will track the inches on their map of Canada every month and keep you posted on just where they are. The journey is 3,627.28 km and that is 142,806,299.2 inches, so they need your help getting there.

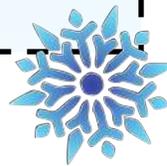

Please measure the inches around the perimeter of your 'Show & Tell' and charity quilts and email the information to Kathy Bissett at [wccg@wcquiltersguild.on.ca](mailto:wccg@wcquiltersguild.on.ca) who will forward our "inches" onto them. Thanks for participating on this trip to Toronto!

Our members are NOT procrastinators. The Nesty Owls are being completed and shown, but you have until May to show your completed project.

## Annual "Chair Sale"

The annual Chair Sale will be held at the MARCH meeting this year due to our having a vendor in February. This change gives members added time to gather once-loved but no-longer-wanted treasures to sell hopefully to new owners.

Carol's work covers a wide range from the traditional quilting style to the more contemporary style of abstract designs and realistic west coast landscapes, all with an eye to create the illusion of 3D imagery. To view some of her beautiful quilts go to:

"Summer Playground" by Carol Seeley

## Carol Seeley Workshop Details

The following workshops are designed to build consecutively but are also valid and enjoyable as stand-alone classes.

Portions of the descriptions were provided by Carol Seeley.

### Thursday, April 21 - 'Seascape'

Create a small quilted seascape while learning fabric selection to create visual depth, as well as Carol's special pieced appliqué construction method. Both machine and hand construction will be demonstrated. Your choice of one of three patterns will be provided. An overview of pattern development and further embellishment ideas will be discussed. Sewing machines will be required only for those wishing to use machine construction. Additional kit fee: \$2.

Level: All skill levels

### Friday, April 22

## Landscape Embellishments - Basic

A simple landscape can take on an authentic look with a few simple surface embellishments. Explore these basic techniques that Carol uses in her landscape quilts. With a simple landscape prepared before class (or in Thursday's workshop), create the illusion of water movement and shading with tulle and thread. Then learn the machine embroidery process for creating textured trees on your islands from far away to close up. Finally create a passing sailboat while learning the basic thread painting process. A sewing machine with zigzag capability is required.

Additional kit fee: \$3.

For those not taking Workshop 1, a simple pattern will be provided for preparation prior to this course, or you may create your own design (8"x14" is suggested).

Level: all Levels

### Saturday, April 23

## Landscape Embellishments - Intermediate

*Note – if you have not taken Friday's class, you will need some basic experience with free motion stitching.*

The day will be spent exploring thread painting and all it can do to create texture on your quilt surface. All embellishments will be made separately from the piece and applied after the top is quilted; therefore no pre-class work is necessary. Workshop includes lacy thread painting with tulle and confetti to create realistic boughs, bushes and trees. Also included is fine thread painting of detailed imagery such as a whale or eagle. Processes for creating a waterfall, and a 3D tree trunk will be demonstrated. The background pattern to build Whale Passage (pictured here) will be provided but no time will be spent in class on its actual construction since this is an embellishment class only.

## PAL QUILTS

Many thanks to the ladies who made and donated palliative quilts; 4 were received at the January meeting. These quilts are being warmly received and deeply appreciated by residents. A thank-you has been passed along from a lady whose husband was a resident at Innisfree House for two weeks before he died. When they first visited the facility they were impressed by the homey atmosphere created by the quilts. He cherished the one given to him during his stay and she was also kept warm and comforted by a quilt on the nights she stayed over. She says, "Thank you so much, guild members!"

Keep up the quilting, ladies. See your handbook for specific details or talk to Judy at the program desk.

Darlene Yanke, Assistant Treasurer, is now writing cheques and preparing deposits working closely with Linda Collins, Treasurer. You may give funds to be deposited or expense reimbursement forms to either of them.

## Hand Quilters and Quilt Tops Needed

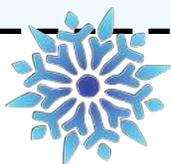

There are 3 upcoming opportunities for those of you who enjoy hand quilting. Please consider taking part in one or more of these wonderful activities.

1. The Relief Sale Committee has been offered a booth at the Creativ Festival in Mississauga on Friday, April 22nd and Saturday, April 23rd. We will be hanging some of the quilts that are destined for the quilt auction as well as offering information about the New Hamburg Mennonite Relief Sale. We have been asked to set up a quilt for hand quilting and invite some people who would come and quilt. Visitors to the festival would be invited to pick up a needle and join the quilting. If there would be 4 quilters willing to come each day, those of us who are there representing the quilt committee could take turns quilting and give you an opportunity to check out the other booths. Your admission to the festival would be covered.
2. Each year during the Quilt and Fibreart Festival in May, the WCQG is asked to set up a quilt at Joseph Schneider Haus and supply quilters who would come to quilt it. Many of you have enjoyed these days. There is always a delicious lunch provided and good conversation around the quilt. Is there someone who would be willing to organize this activity? I can give you the contact info for JSHaus and give you info about all that is involved.
3. This year is the New Hamburg Mennonite Relief Sale's 50th annual sale and quilt auction. There are many special activities being planned to celebrate this milestone. The quilt committee has been asked to find a group of quilters who would set up a quilt in a special tent dedicated to the 50th on the fairgrounds. We have sent a request to our quilt donors but have not had a response. It could be that many of them are busy in other tents that day. Is there a group of you who would take this on? The quilt committee can't organize this as we already have much to do leading up to those days and for the duration of the auction. It would involve setting up a quilt at the New Hamburg fairgrounds during the day on Friday, May 27th and having quilters there for several hours on Friday evening. There would also need to be quilters there during the day on Saturday, May 28th. This would also be a situation where visitors to the tent would be invited to quilt with you.

If any of these wonderful opportunities is of interest to you, please contact me, Judy Pearce. My contact information is in your handbook.

Thank you for considering this.

## An Invitation from the Grand Quilt Guild...

### Elaine Quehl Presentation and Workshops

The Grand Quilt Guild is very pleased to be hosting a trunk show and several workshops by the CQA Teacher of the Year for 2015, Elaine Quehl. Elaine is from Ottawa, and she is a quilt artist, teacher, designer, and fabric dyer. Many of her quilts are nature themed: you may be familiar with her hosta series. Her quilts have won prizes at national and international shows, and she has recently begun designing fabric for Northcott.

Elaine will be presenting her trunk show "A Design Journey" at our Guild meeting on May 11, 2016. The meeting is held at the Fergus Legion, beginning at 7:30. Guests are welcome, and the visitor's fee for that evening will be \$15.

Hostas, 2008 by Elaine Quehl

There are a few places left in Elaine's workshops:

Friday, May 13 Flip and Sew Curves 9:00-12:00 \$35 + pattern (\$10 to Elaine) \*

Friday, May 13 Liberated Applique 1:00-4:00 \$35 \*

\*Cost is \$60 if both workshops are selected.

Saturday, May 14 Hosta Leaves 101 9:00-4:00 \$60 + pattern (\$14 to Elaine)

All workshops will be held at the Elora Legion.

If you are interested in participating or would like more information, please contact Brenda Dagg, [thedaggz@gmail.com](mailto:thedaggz@gmail.com) or 519-846-5176.

## Volunteers Needed Quilt Canada 2016

Volunteers are essential to making Quilt Canada 2016 an amazing show for Canadian and international quilters! There are hundreds of volunteer opportunities for you to select from and a wide variety of roles including “white glovers”, greeters, front desk jobs, classroom/lecture angels, set up and take down teams, assisting with judging the National Juried Show and the “jack-of-all-trades.”

**How to Sign Up** - Each volunteer must submit a volunteer sign up form. Positions are assigned on a first come, first served basis.

Most of the roles are 2 hour shifts. Longer shifts are available for set up and take down, classroom/lecture angels and floater roles. CQA/ACC greatly appreciates volunteers who sign up for multiple shifts on a single day or multiple days.

Some roles require physical exertion. Most roles require you to be on your feet. There are a few front desk roles that are sitting at a table.

If you have questions please email Jane Sanders, Volunteer Coordinator Quilt Canada 2016 at quiltcanda-volunteer@gmail.com

Here is a short summary of the volunteer roles:

**Set Up and Take Down:** There are a number of different tasks involved in set up and take down. In addition to hanging the quilts, volunteers are needed to help vendors unload and load and to set up and take down classrooms and to take down quilts.

**Registration:** You will welcome visitors, distribute conference packages and answer visitor questions.

**Front Desk/Admissions:** Roles include greeting visitors, answering questions, selling tickets, applying wristbands, handing out guides, checking tickets at the door and signing in volunteers.

**Hostess/Host/White Glove:** The primary responsibility of “white glovers” is to ensure visitors do not touch the quilts. You will also answer questions about the quilts and the show.

**Classroom/Lecture Angels:** This role assists teachers and students in one of the 14 different classes/lectures each day of the show. Tasks include assisting the teacher with set up, distributing materials, resolving any problems and straightening up the classroom at the end of the day.

**Floater/Jack of All Trades:** You will step in whenever and wherever an extra set of hands is needed either for a short period or a full shift.

**Aides & Scribes for NJS Judging:** In this role you provide support to the judges as they evaluate the quilts. Scribes must be able to take legible dictation quickly and accurately. Aides must be able to hold up quilts for the judges to view. Preference will be given to individuals enrolled in the judging programs.
