

WALK

Mastering Machine Quilting with the Walking Foot

On Saturday January 28, 2023 we are thrilled to have bestselling author and international instructor Jacquie Gering lead us through the basics and a set of diagrams from *WALK Mastering Machine Quilting with the Walking Foot* in a full day workshop. Learn a new skill to add pizzazz to your quilts so you don't have to rely on straight line quilting. To register visit our online store at <https://wccg.square.site>.

Date: Saturday January 28, 2023
Time: 9:30am - 3:30pm ET
Skill Level: Confident beginner and up
Cost: \$95
Open to non-members: January 21, 2023

Jacquie Gering started quilting in 2009 after discovering Gee's Bend quilts at an exhibit. The freedom of those designs opened her up to the world of quilting and she has since developed her own style of quilting as a modern quilter. Machine quilting with your walking foot is a technique that can be applied to any genre of quilts. Jacquie lives in Kansas with her husband and black lab.
