Emily Bailey

Bits of Joy – Trunk Show

Emily loves turning scraps into beautiful quilts. She has been quilting, designing and teaching for over 20 years. Emily has a website and regular blog featuring tutorials and sew-alongs. She has recently published a book called “Crumb Quilts; Scrap Quilting the Zero Waste Way”. In her lecture / trunk show, Emily will inspire us to use our piles of scraps to explore possibilities, discover hidden treasures and create beautiful quilts. Come and be inspired to use up your scraps.
