After registering for this day, please send an email to fordinge@gmail.com as requested on the home page of the website. Now, about the STBA day... Join us for all or part of the day. We will gather at 9:00 a.m., enjoy time together as a large group, move into small groups and provide time for socializing and individual sewing.

Noreen Skiles joins us from Virginia and will share her lecture –

"Use It All"

Quilters are the curators of extensive textile collections and should use their materials wisely and without waste. Norene will explain how she organizes her collection (including scraps) and her techniques and ideas for using all your scrap fabric and batting. She will show how her scrap quilting has progressed and includes how she upcycles old quilt blocks and clothing (not t-shirt quilts). She is a firm believer that you should use it all since you paid for it. The lecture/trunk show is centered on the Reduce, Reuse, Recycle theme. Noreen loves to use the quilt-as-you-go technique which will be featured in many of the quilts shared during her lecture.
