

SEWING TOGETHER - BUT APART REGISTRATION FORM

Our Sewing Together, But Apart Days provide an entire day of sewing activities, including sharing tips and strategies, socializing as well as having guest speakers join us for part of the day. To help cover some of the cost of the guest speakers, a charge of \$10.00 is included for the afternoon guest speaker. With the possibilities Zoom provides, we are able to access guest speakers from near and far. We look forward to having you join us. Participants are invited to come for all or part of the day.
