Join us for all or part of the day. We will gather at 9:00 a.m., enjoy time together as a large group, move into small groups and provide time for socializing and individual sewing.

Karen Brown of **Just It Get Done Quilts**, Toronto, will share her lecture – ***“Shop from Your Stash: The Joy of Symmetry”***.

Fabric. We love it, we buy it and then we can't figure out what to do with it. All fabric has a pattern. But if you look closer, there is often a pattern within a pattern. And maybe even a pattern within a pattern within a pattern. Once you know what you have, you can combine these patterns in a variety of symmetries to make amazing blocks and quilts. In this lecture Karen provides tips, tricks and strategies so that – on your next project, you'll have the confidence to shop from your stash.

Karen is the host of her popular you tube channel – “Just Get It Done Quilts”, with over 250k subscribers and 15 million views. Weekly, she shares on her channel her tips, tricks and strategies to help you tidy up your sewing space, use up your stash and deal with your UFO's.
