

## Jelly Bean Row - Signature Houses of NFLD

Our first workshop of 2023 is Saturday January 14th with Corey Ralph. This fun pattern *Jelly Bean Row - Signature Houses of NFLD* was Corey's first in his Architecture of Canada series. In this full day workshop Cory will introduce students to a variety of appliqué, design and machine piecing and quilting. The pattern is required and kits are available for purchase.

For more details and to register visit our online store at <https://wcqg.square.site>.

Corey Ralph is originally from a small fishing village in Newfoundland and currently lives in Edmonton Alberta. Corey spent 9 years teaching in the public school system after completing his Bachelor of Music (vocal performance) and Bachelor Education Degrees. In 2008 he completed his Master's in Business Administration after which he started a consulting company in the IT sector. In 2014 he found quilting as an outlet for his creative side and the rest is history.

Date: Saturday January 14, 2023

Time: 9:30am - 4:30pm ET
