

December 13, 2023

After registering for this day, please send an email to fordinge@gmail.com as requested on the home page of the website. Now, about the STBA day... Join us for all or part of the day. We will gather at 9:00 a.m., enjoy time together as a large group, move into small groups and provide time for socializing and individual sewing.

Lori DeJarnatt joins us from Oregon and shares her lecture -

Quilts Through the Seasons:

Lori shares that she never thought she would be making big and small quilts to celebrate each season, but with 20+ years of quilting her home is now filled with quilts that reflect each season. This lecture will show you how to look at your quilts as seasonal décor, giving you a

great reason to show off your beautiful quilts. (Or make more!) With December being a time of year when there are many celebrations, this trunk show and lecture will provide lots of inspiration for how we can use our quilts - at any time of year - as seasonal decor. Come and be inspired with this very unique presentation.
