

Sewing Together, But Apart August 30, 2023

After registering for this day, please send an email to fordinge@gmail.com as requested on the home page of the website. Now, about the STBA day.

Join us for all or part of the day. We will gather at 9:00 am, enjoy time together as a large group, move into small groups and provide time for socializing and individual sewing.

Kristin Echols, from *Kristin Laura Designs* joins us from Idaho. She will share her lecture called “*A Lesson in Every Quilt*”. In this presentation, Kristin will share over 40 of her quilts. She will describe the lessons learned from making each quilt. Over half of the quilts were made using her favourite method – *Quilt-As-You-Go*. She will also share other quilts and techniques learned and applied over the years. Kristin will also show the ugliest quilt she’s ever made and will share the lessons she learned along the way. Kristin has a particular love of the *Quilt-As-You-Go* method of joining blocks. Using this technique is also her most popular class to teach. When she became a quilter, Kristin felt this hobby provided a colourful and creative outlet to balance her career as a computer programmer.
