Join us for all or part of the day. We will gather at 9:00 a.m., enjoy time together as a large group, move into small groups and provide time for socializing and individual sewing.

**Cheryl Brickey**, from South Carolina, will share her lecture which is based on her book ***“Just One Charm Pack Quilts”***. Cheryl will present a trunk show featuring quilts

made using 5-inch squares and will provide ideas and strategies for how to make beautiful quilts with ease using charm squares. Cheryl is a Chemical Engineer and Patent Agent for a private textile and chemical company by day. She is also an avid quilter and author of two quilting books. She maintains a regular blog, conducts a yearly mystery quilt-along for blog participants, lectures for guilds across the country and enjoys designing and creating quilts.
