Quilted Fabric Postcards

After registering for this day, please send an email to fordinge@gmail.com as requested on the home page of the website. Now, about the STBA day... Join us for all or part of the day. We will gather at 9:00 a.m., enjoy time together as a large group, move into small groups and provide time for socializing and individual sewing.

Our theme for the day will be “*quilted fabric postcards*”. Our speaker, Sarah Ruiz, will join us from Houston, Texas. She will share how in 2020, she started a 100-day project making and mailing quilted fabric postcards and she kept going as she made nearly 200 completed postcards. Her lecture will include an introduction to the project, her thoughts on the many benefits of doing a 100-day project and a detailed discussion on the quilted fabric postcard making process plus tips and tricks she has learned along the way. Sarah will also share photos of some of favourite fabric postcards.

Sarah is a “quilter by night” and a NASA aerospace engineer by day in Houston.
