

Sewing Together But Apart – Wednesday, October 12, 2022

After registering for this day, please send an email to fordinge@gmail.com as requested on the home page of the website. Now, about the STBA day... Join us for all or part of the day. We will gather at 9:00 a.m., enjoy time together as a large group, move into small groups and provide time for socializing and individual sewing.

Elaine Theriault, from Toronto, will share her lecture **on *Scrap Quilts***. Elaine will provide a new and exciting look into the “old art” of scrap quilts. In addition to a trunk show with different styles of scrap quilts, a large number of ideas for storing fabric, in particular scraps will be explored and shared. Elaine is a teacher, writer, pattern designer, and long arm quilter who describes herself as obsessed with quilting. She’s been in the business ever since she decided her then two-year old needed a quilt for her big girl bed. Elaine reviews *Husqvarna Viking* sewing machines and is a guest blogger for *QUILTsocial.com*. She is also a freelance educator for *SVP Canada*, providing education about PFAFF and Husqvarna Viking sewing and embroidery machines. Elaine writes a regular blog called “*Crazy Quilter on a Bike*”. Many of her quilt designs are found in current quilting magazines.
